WELCOME ADDRESS

Dear friends and colleagues,

This is to keep you informed about the present state of the ISIOR T Conference in Salzburg, Austria.

As previously elaborated, we did not consider a mere web meeting, where one of the most essential aspects of a scientific conference is completely missing: social interaction!

Therefore, the Society's Board unanimously voted for a **physical Conference in June 2021 in Salzburg, with Hybrid option.**

Most likely the majority of possible attendants will then be fully vaccinated. Whether governmental restrictions of traveling and/or hosting will still (or again) be active, is not foreseeable to date.

From the organizational P.O.V., a final decision about holding or **cancelling** is to be made by the **end of April**, with a remaining risk then deemed to be acceptable.

This should however not prevent you from prior registration and submission of abstracts! We urgently need planning safety, also for development of an appropriate on-site hygiene concept.

Abstract submission will be possible until **April 25th**.

In case of cancellation of the Conference (what we do not hope), the congress fee will be fully refunded .

Please make your travel and hotel accommodation in due time and care for refunding terms and conditions.

Warmest regards,

Felix Sedlmayer
President ISIOR T

PROGRAM OVERVIEW

The ISIORT Conference will be preceded by the ILEXIUM User Meeting (June 17th).

ISIORT PROGRAM OVERVIEW

Thursday, June 17th

8:30- 16:00

ILEXIUM 2021

Paracelsus Medical University
Strubergasse 21, 5020 Salzburg

Friday, June 18th

08:45 Opening

Update on IORT registries

Update from prospective trials:
Breast Cancer
TARGIT A/C/E, ELIOT, HIOB, POLO,
Boost IOERT
Open Forum Discussion:
IORT for BC outside clinical trials

Proffered papers
Breast cancer

12.00 - 13.00 Lunch Break

ISIORT Board Meeting

Keynote lectures
New aspects on IORT radiobiology ?
FLASH-IORT
IORT + Immunotherapy

Image- Guided IORT
problem resolved?

IORT in pancreatic cancer
any new evidence?

IORT for rectal cancer
when and how?

Proffered papers

17:15 General Assembly

19.00 Opening Evening
Residenz Salzburg

Saturday, June 19th

Sarcoma treatment as
interdisciplinary task
Integration of IORT as SOC ?

Proffered papers
Physics, Biology, Technology

Physics, Biology, Technology
Which assets do we really need?

12.00 - 13.00 Lunch Break

Update of case series and
clinical trials
H/N, Prostate, Brain, Spine,
Pancreas, STS...

Debate:
IORT trials to be performed?

Reimbursement of IORT
when money talks..
